CELEBRATING
35
YEARS of
ITALIAN LUXURY

***Terms and conditions:**

Here at New Trend Concepts Italia we take great pride in our work. Every piece of furniture we create is carefully constructed in Italy and carries the personal signature of the upholsterer who handcrafted it. Our sofas come with a 10 Year Frame Guarantee which covers the timber frame on models sold from 2017 onwards. Our skilled craftsmen have created furniture of outstanding quality, and we hope you enjoy its comfort and style for many years to come.

All New Trend Concepts guarantees cover

fair wear and tear claims, by the first owner of products purchased from our approved stockists only. They do not cover wilful damage caused by abnormal use or storage conditions, accidents, negligence by you or a third party or any commercial or institutional use.

Failure to follow the written instructions in the Care Guide or provided with the product will invalidate the claim.

Any alterations or repairs carried out without written approval will also invalidate the claim. Our guarantees do not affect your Statutory Rights.

EXPERIENCE THE FINEST LEATHERS IN THE WORLD

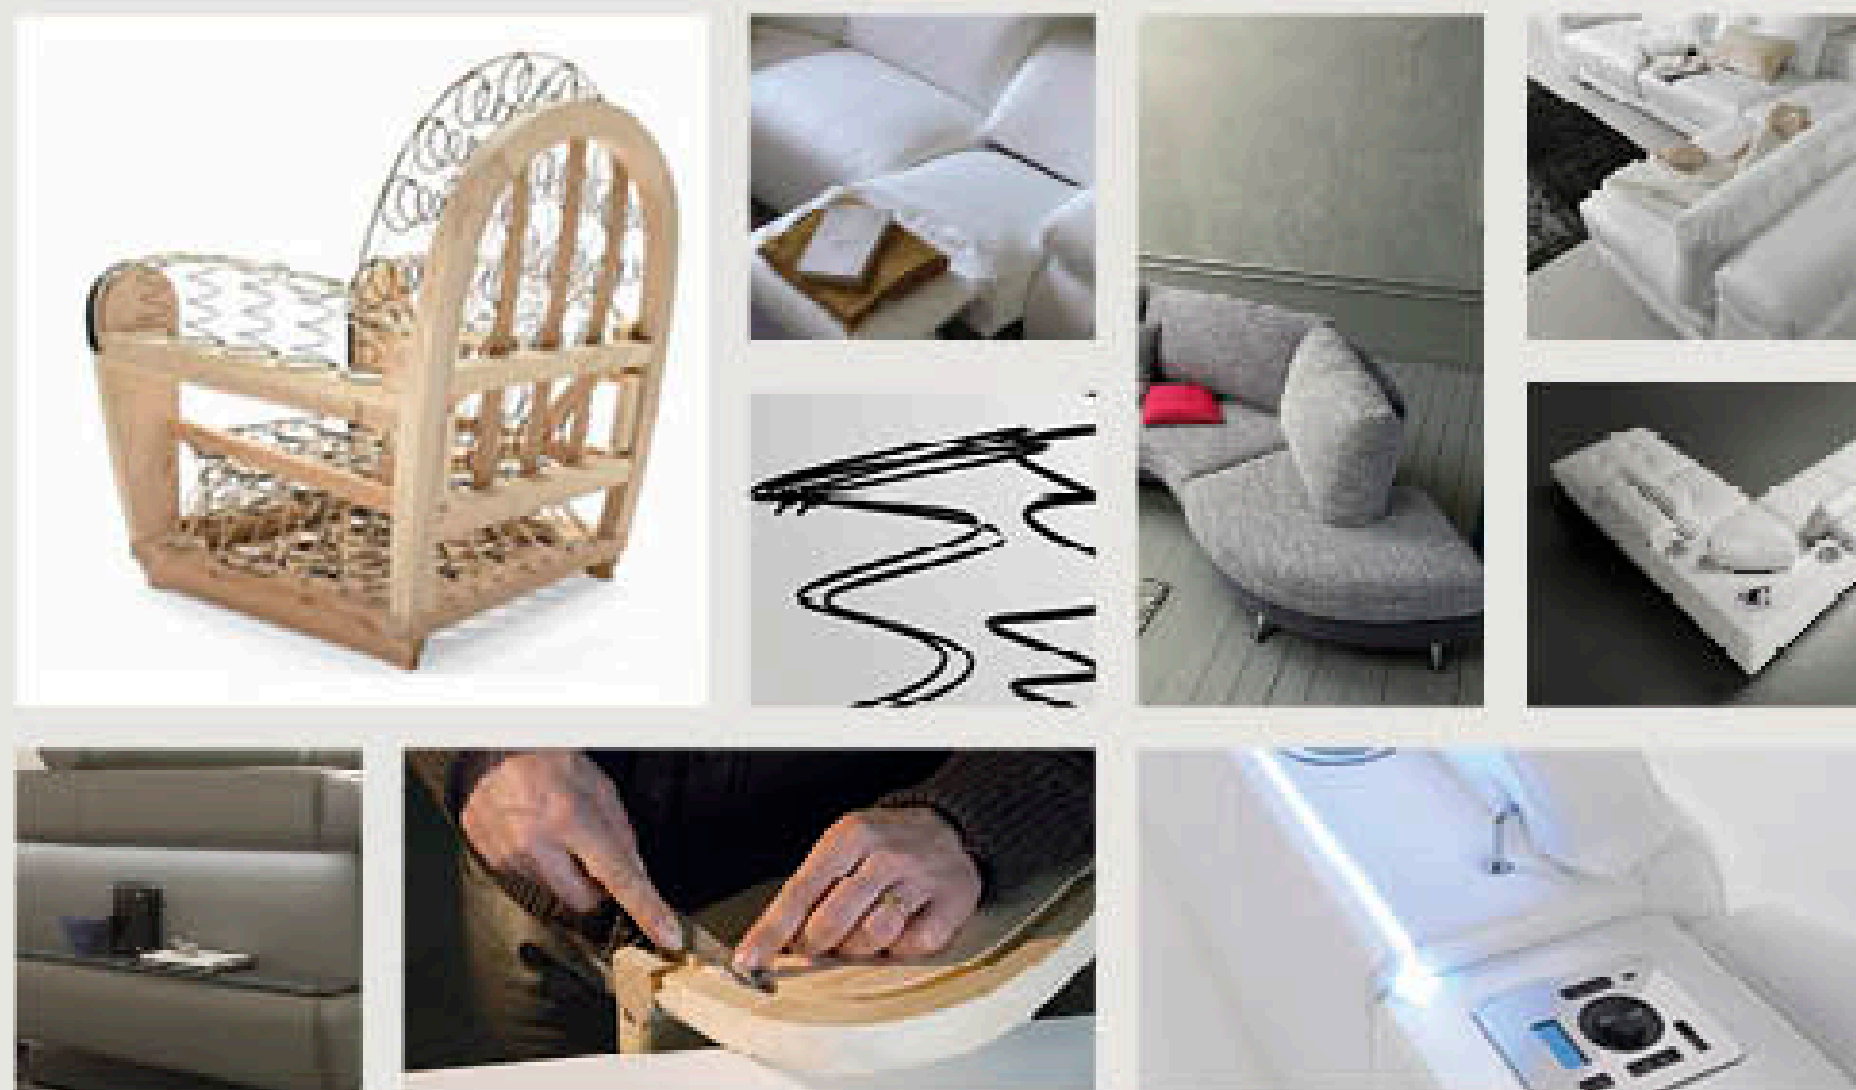

We're passionate about producing sofas and chairs that look stylish. But to us, comfort and quality are equally as important. It's why we carefully source our leather from some of the finest tanneries around the world. Designed to last, you'll notice our comfort commitment every time you sit on one of our sofas or chairs.

ENJOY A 10 YEAR GUARANTEE ON THE FRAME*

You can't see inside your sofa, but rest assured, we only use the highest quality materials in there too. Frames are made from selected hardwoods, each dowelled, glued and screwed for trouble free long life. The standard specification for most models includes coil sprung seating for extra durability, matched with nine-gauge 'D' arch serpentine springs carefully spaced for maximum support. All generously covered in premium fillings to give you the ultimate in comfort.

GUARANTEE**
